Subject: Confirmation of Mentorship for Your Visiting-PhD Research Stay

Dear Camila Fernanda Utreras Cifuentes,

I am pleased to confirm that I will serve as your supervising professor during your Visiting-PhD research stay at the Università Cattolica del Sacro Cuore. Your research topic, *Design and Validation of a Learning Sequence for Irreversible Decisions: A Case Study of the Chilean Retirement System*, which experimentally explores learning through personalized content sequences, aligns with the focus of my research program on Behavioral Public Policy at the Dipartimento di Politica Economica.

Your visit is planned for the period from 19 March 2026 to 19 April 2026. The visit will be hosted by the Dipartimento di Politica Economica, Facoltà di Economia.

As your mentor, I will provide academic guidance and support your integration into departmental activities. This includes facilitating access to relevant courses, seminars, and research infrastructure, in accordance with the policies of the University and Faculty.

I look forward to working with you during your stay in Milan.

Best regards,

Milan, November 6th, 2025
